## PARTNERSHIP DECLARATION

A partnership is a substantial relationship between two or more organisations involving a sharing of responsibilities in the action financed by Expertise France.

All partners must have read the Grant Application requirements and understood what their role in the action will be before the application is submitted to Expertise France.

All partners must have read the project proposal and understood their respective obligations under the contract if a grant is awarded. The partners authorise the lead applicant to sign the contract with Expertise France and to represent them in all relations with Expertise France in the implementation of the action.

The applicant must consult regularly with its partners and keep them fully informed of the progress of the action.

Proposals for substantial changes relating to the strands of the action in which they are involved (e.g. with regard to activities, partners, etc.) must be accepted by the partners concerned before being submitted to Expertise France. If no agreement between partners can be reached, the applicant must indicate this when submitting changes to Expertise France for approval.

We hereby confirm that we will participate in the consortium led by (insert exact name and compagny) and declare that we are jointly and severally liable for fulfilling the conditions of the contract.

We hereby authorise the following person:

**Name:** xxx  
**Function:** xxx  
**Organisation:** xxx

to sign on our behalf all relevant documents and forms concerning the "AFRICA DATA CHALLENGE (Data4Covid)" project.

I have read and approved the contents of the proposal submitted under the Africa Data Challenge Call for Proposals. I am committed to the principles of good partnership.
